- ◆ Annual Province Meetings are held in April or May.
- ◆ Annual National Convention held in October gives members the opportunity to become acquainted with Sigma Beta sisters from all parts of the United States. The convention concludes with the Sunday banquet when the National Officers are installed.

Helping others is its own sweet reward. The common bond of philanthropy makes for lasting and meaningful friendships. Many members view Sigma Beta as a worthwhile way to spend quality personal time, *which is vital for today's women.*

Sure! Our membership includes busy ladies with careers, businesses and Families. Chapters set their own pace and our sisters contribute when their schedules permit.

Just ask a member! We would love to tell you more. You may attend a business meeting and are welcome at any chapter function. Visit our web site!
