

MARK YOUR CALENDARS & PLAN TO ATTEND IN NKY!

we're rolling out the red carpet

In Northern Kentucky (NKY), the South quite literally begins at our front door — where small-town warmth and hospitality go hand-in-hand with big-city amenities and attractions.

Our unique style of South is what shines through... and you'll find in NKY we do Southern with a bit of German fusion and a whole lot of sass!

Join us for a plate of fried green tomatoes washed down with a local brew and watch our hometown Cincinnati Reds play baseball on a bustling riverfront. We're glad to have you!
